Listing ID 000161257127

Remodeled five years ago, this stunning multi-level home offers five bedrooms, four full bathrooms, and two half baths. Designed by a renowned architect, its modern style echoes Frank Lloyd Wright's influence. The main level boasts 20-foot ceilings, an open kitchen, dining, and family area, with breathtaking 180° ocean views through impact-resistant glass doors and windows. The upper mezzanine features an open loft, three bedrooms, and two bathrooms, while the lower level includes two ensuite bedrooms and a large laundry room. A six-foot wall, electric gate, and oversized parking provide privacy, along with a separate office with an ocean view. The backyard is perfect for entertaining, with a heated pool, two outdoor showers, and direct beach access. Multiple outdoor spaces, lush landscaping, and ambient lighting enhance the experience. For convenience, the home includes solar panels, a 20kW battery, a generator, and a hurricane-resistant roof. This luxurious retreat offers privacy, elegance, and direct oceanfront living.
